

“GOD’S GRACE OF THE PLENTY IN 2020”
The Year of Vision, Clarity, and Abundance
April 5, 2020

“So they rose early in the morning and went out into the Wilderness of Tekoa, and as they went out, Jehoshaphat stood and said, “Hear me, O Judah and you inhabitants of Jerusalem, Believe in the Lord your God, and you shall be established; believe His prophets, and you shall prosper.” 2 Chronicles 20:20 (New King James Version)

Today’s Message: Believing Jesus Christ: The Greatest Prophet of all the prophets of God

Introduction: We have defined a prophet as a man or woman who speaks on behalf of God to the people regarding the word of God and the word from God; the will of God; and the ways of God; especially during a National Crisis. This person gives clear and distinct revelations of the word of and from God; interpretation of the word of God; and the application of the word of God. No one can disagree that Jesus Christ fits this description to the T. Therefore our belief in Jesus Christ as the Ultimate and Greatest prophet of all of God’s prophets in the bible will definitely lead to our prosperity and success.

I. The Prophetic Ministry of Jesus Christ

- 1. He was recognized by others as a prophet. See John 6: 12-14; John 9:17; Luke 7:11-16.**
- 2. He referred to himself as a prophet. See Luke 13:31-33.**

II. The Prophetic Ministry of Jesus involves healing of sicknesses and diseases.

Two Facts about Jesus: 1) He is a healer. See Acts 10:38. 2) He is no respecter of persons for He is the same yesterday, today, and forever. See Psalms 103:1-3.

Note: The Covid-19 or Corona virus is a micro-organism disease capable of replicating within living cells. It enters in our bodies through our respiratory system through breathing and it can cause sickness and even death to our physical bodies.

Contrary to popular belief, this disease did not originate in China, it originated within the mind and thought of Satan. **See John 10:10.** This disease cannot only be transmitted by touching objects, but is now being transmitted by breathing in the air. **See Ephesians 2:1-2.** This disease is spreading and multiplying so rapidly, because of two factors; FEAR and IGNORANCE. **See 2 Chronicles 16:12-14**

Two (2) Examples of the relationship between healing the sick of diseases and Satanic and unclean spirits (1) See Luke 6:17-18 and (2) Luke 13:10-17.

III. The Authority of the Prophet Jesus Christ must be exercised in the life of the believer.

Jesus Christ commissions us as His disciples to learn and follow him, in order to use the power and authority he has given us. **See Luke 9:1-2; 10.**

Once we understand the Authority that is ours in Jesus Christ, we will no longer have to try to battle to a place of victory.

Four (4) Confessions Regarding Believing Jesus Christ as our Prophet.

1. I confess that Jesus Christ is not only a prophet, but he is the ultimate and greatest of all of the prophets in the bible.
2. I confess that the Prophetic Ministry of Jesus Christ involves healing of sicknesses and diseases.
3. I confess that the Authority of Jesus Christ my prophet must be exercised in my life. Therefore I proclaim the good news of the Kingdom of God, and I take my Christ-given authority over the Corona virus, over all sicknesses and diseases, over all unclean spirits, over the prince of the air who is Satan, and over all the demonic forces of darkness.
4. I confess that when I believe in Jesus Christ, I will Prosper and have Good Success.

PRAYER OF COMMITMENT

Father in the Name of Jesus, I thank you that Jesus Christ is the ultimate and greatest of all of the prophets in the bible.
