**“So they rose early in the morning and went out into the Wilderness of Tekoa, and as they went out, Jehoshaphat stood and said, “Hear me, O Judah and you inhabitants of Jerusalem, Believe in the Lord your God, and you shall be established; believe His prophets, and you shall prosper.” 2 Chronicles 20:20 (New King James Version)**

**Introduction:** The message about prosperity has been greatly attacked over the years because many people have been deceived by the enemy. True prosperity is not just about money. What good is it for us to prosper in our bank accounts and not in our health, relationships, marriages, and in our families. True prosperity is being successful in every arena of our lives; in my spirit, my soul, my body, in my relationships and in my finances. You may ask, “So why does God want us to have true prosperity?” He wants to show the world that there is profit in serving Him. When we prosper, we can help and serve others. When the church prospers, we are empowered to further the Gospel message around the world.

**Father in the Name of Jesus, I thank you that Jesus Christ was a true prophet of God, and one of the reasons why You sent Him was to develop a foundation for winning in true prosperity. I thank You that because I have the mind of Christ; He wants me to prosper financially in order that I may influence others with the gospel of Jesus Christ. I believe Financial prosperity is not only my divine right but my divine obligation; and You give me the ability to obtain wealth. I have practical insights in obtaining and maintaining financial wealth; and Jesus Christ has a plan for my biblical economics by being a servant of people; practicing the seedtime and harvest principle; and through wise investing. As I realize this, I understand that I will experience more of "God's Grace of the Plenty in 2020." In Jesus Name. I pray. Amen.**
